

July 1, 2020

To the Members of the DeMolay Foundation,

I wanted to send along another 'Thank you' regarding the recent grant awarded to our Region One Leadership Training Conference.

The funds from the grant were received yesterday and I cannot express how much benefit our members will receive because of this.

Please let your donors know that grants like this really and truly make a difference. They get into the hands of programs which directly benefit our members. These grants are game-changers for our Leadership Conferences. They allow us, as a staff, to put the needs of our members above the restraints we place on ourselves due to lack of funding. You allow us to dream big and in return, it shows our members how to dream big and that it is okay to invest in a program/person you believe in.

Again, thank you for supporting our Leadership Conferences and know that words cannot fully express our appreciate and graduate.

Sincerely and Fraternaly,

A handwritten signature in black ink, appearing to read "Matthew S. Gerrish". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Matthew S. Gerrish

Director

Region One DeMolay Leadership Training Conference
